1977 Sundial Dedicatee

The 1977 Sundial is dedicated to a retiring faculty member who throughout her years at Sunset has served as more than just an English teacher. She is a person who has earned the respect and admiration of not only her students but of all those who come in contact with her. She has shown her love for Sunset in countless ways and now that she is leaving, Sunset's faculty and students will miss her. The 1977 Sundial Staff honors Mrs. Iris Farmer.

Dear Bisons,

Being your Student Body President this year has made my Senior year the most enjoyable of my three years in high school. I realize that with the addition of the Freshman Class this year we underwent many drastic changes. Sometimes I wondered if we were going to be able to adjust to them all. However, the Bison Determination and Pride in us all still shines through, as it will forever.

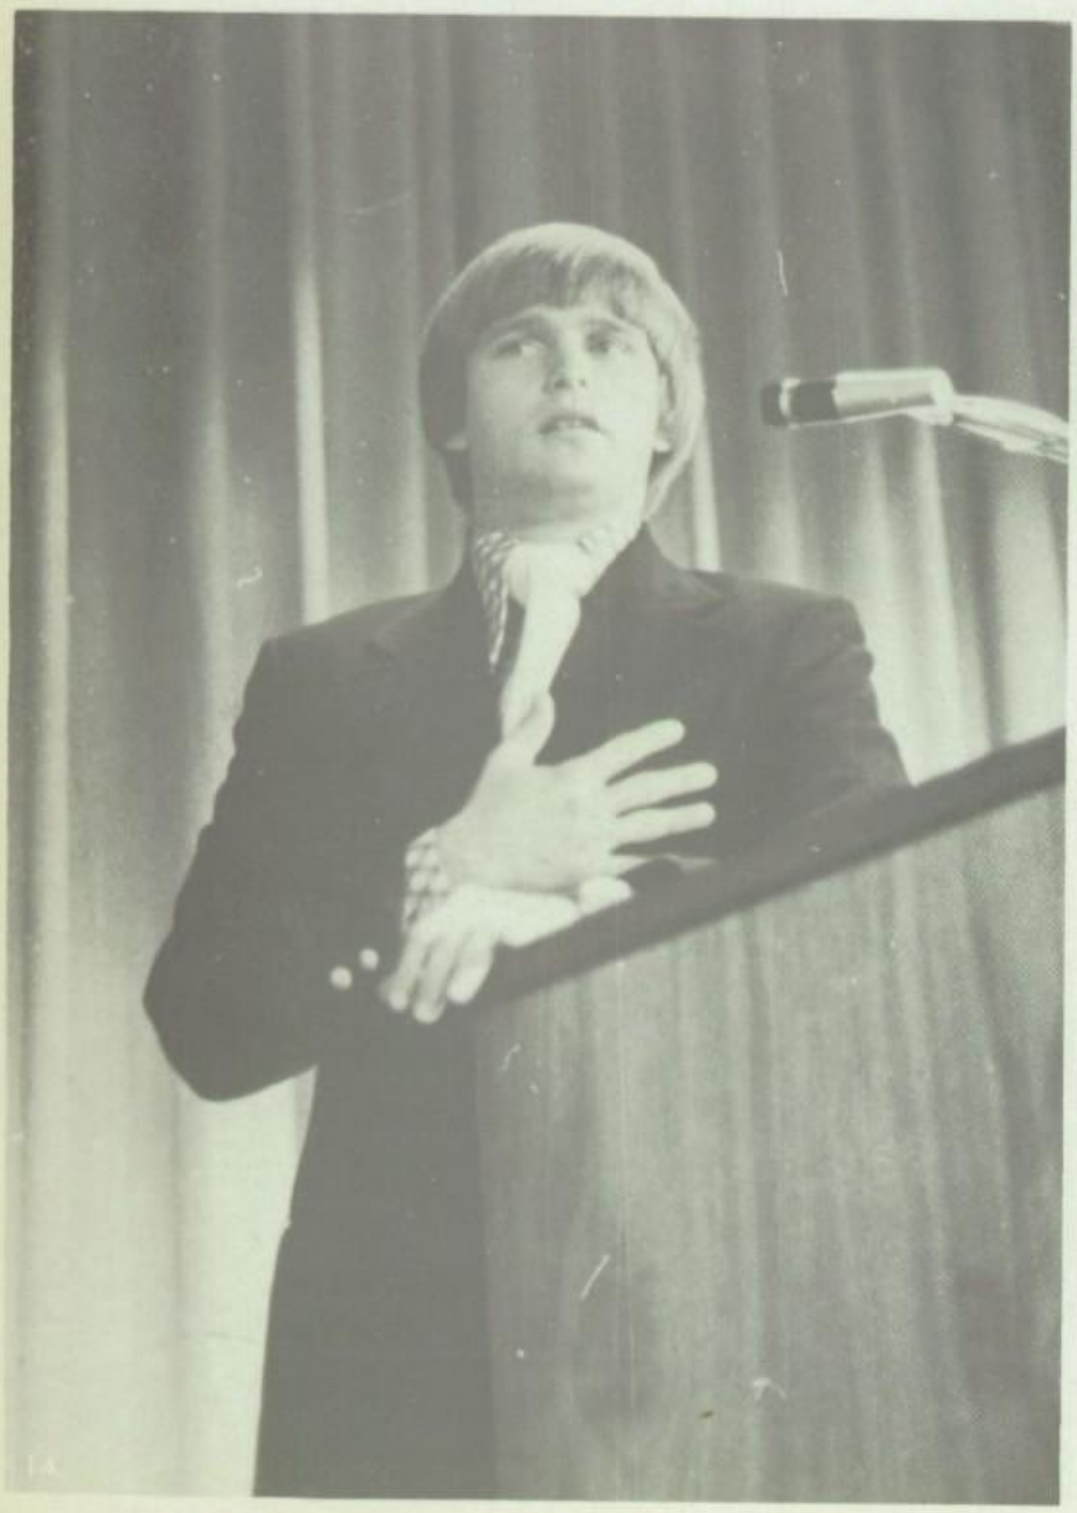
As we grow older and we take different routes in life, remember that one life common to all of us - that life at Sunset High.

To the Seniors ''77'':

As we leave Sunset and our lives take different shapes and forms, remember to save a small place in your hearts for the laughter, joys, and memories we now leave behind.

I love you!
And may God bless you all,

Jesse Bunch



Well, my friends, we've finally made it. We've reached the top of the ladder of public education. From this point on we have no teachers on our backs, no notes saying why we're late or absent. We're grown men and women now and we've got to take it upon ourselves to make ourselves the best persons we can possibly be. Something that's been told me all my life, and I'm sure you've heard it also, is: "You only get out of life what you put into it." This is my advice to my fellow Seniors as well as my fellow Bisons. You'll only get out of Sunset what you put into it. Put into it all you've got and keep up the traditions when we're gone.

God bless Sunset and the people in it,

Kenneth Skrivseth

1976-77 Senior Class President

I came to Sunset High School as a Junior, having missed the opportunity of being a Sophomore here. My first day here began with fear: I was scared to death of being thrust into a new, big city school. But soon all my fears left me and I began to look around. Everywhere I went the people seemed glad to meet me. They actually were happy that I was there. But most of all, I was accepted and people were interested in me and concerned about me.

Sunset marked the beginning of a new and beautiful chapter in my life. Sunset means everything and anything to me!

To the Seniors of 1977, I say: Never forget Sunset, for it is your very own and your years here will be a magical spot in your life always.

To the Seniors of 1978, I say: Make the best of your Senior year, because before you realize it, it will all be behind you.

I am proud to be a Sunset Bison, I love Sunset and what it stands for. I pray that Sunset will never lose the beauty that makes it so unique: its people, its traditions, and even the very bricks that hold it together. I pray that all future Sunset Bisons will grow to love her the way I have and always will.

God Bless and Keep All of You,
1976-77 President, National
Honor Society

Norma, Well I guess you can say this has been a good year. It was my Senior year and your first year here. Now I could kill ya for going to Skyline. Oh well, this year and all my life I've had good things to come my way but I can say honestly that you are one of the greatest. In the short time I've known you I have found some-thing in my self, a special place in my heart for a certian person, a person that means more to me than she or anybody else will Know. Norma Im sure you know this certian someone is you and I want you to remeber the feeling I have for you. As you go thru your Senior year and the following years im sure youll find the feelings, the friends and the personalities of people will change. Maybe even the feeling we have for each other will change, for the better or for the worst. But one things that will never change is the memories the joys the love we have had. Its happened and its over. Now all we can do is look back and cherish the happy times weve had here at Sunset. I want you to remeber me even when Im up and gone. No matter what happens I will always love you and be your friend.

Love forever Kenneth Stanski

A tremendously constructive force of CREATIVE ENERGY was present at all rehearsals and performances of "The Hobbit." All members of cast and crews brought the finest characteristics of themselves as individuals to work sessions and the air was always alive with original ideas. During the three months of preparation, there was a spirited feeling of mutual respect and good fun. I am sure that Prof. Tolkien would be as proud of this interpretation of his famous story, as I am of the people who presented it.

Bison Of The Year

This Award is given to the senior student of Sunset High School who through qualities of leadership, loyalty, responsibility, and dedication to the ideals of the Bison tradition, has won the respect and confidence of those with whom he has been associated in his three years at Sunset. All of these qualifications are fully met by Ronnie Saenz, the winner of the 1977 STAMPEDE Bison of the Year award.

Dear Bisons,

It's very hard for me to write what I feel for you, students, teachers and every part of Sunset.

This year has been one of my greatest years and you will always hold a special part in my heart.

I know I will always belong to the Harris family. People like them make the world great.

I hope I have given you something by which to remember me, because you have given and taught me so much that I could never forget you.

Love you always,

Orientation Starts Off New Year

During the summer of '76 changes were being made that were going to affect the new school year.

Changes in district lines returned Sunset's boundaries to the same area it encompassed before the 1971 desegregation order. An additional change through court order added ninth graders throughout the school district to the student bodies of existing high schools.

Teachers and Counselors present opportunities for involvement to sophomores and freshmen.

For the first time in thirty-seven years, Freshmen walked Sunset's halls. This year the Sophomore wasn't the baby of the school, but the most famous traditions of the Sophomores, as well as the Juniors and Seniors, were still the same. It is traditions that play a big part of student life. During a student's years at Sunset, he will be changed from an ordinary high schooler to something very special, a Sunset Bison.

Assemblies Add Variety to School Days

A major part of every school week are the assemblies which cover many interests of students at Sunset.

Entertainment was to be found in very assembly. The Sundial Assembly in September, presented nnually by the Sundial Staff to ncourage subscriptions, includes howing slides of school life and kits of the activities of various rganizations.

The Sundial Staff also put on a ashion show to raise money to help over some of the cost of the pro- uction of the Sundial.

Many organizations took advantage of the fact that students would be allowed to attend pay assemblies. Organizations such as Concert Choir produced the teachers' Gong Show which featured a variety of talent shown by Sunset educators.

Fund Raising Plays Major Role in School Life

Celebrating Sunset's 50th Anniversary is a special memory for the Seniors of '77. When they entered Sunset in the fall of 1974, they discovered a year of special significance with many special occasions planned in addition to the traditional activities. Unfortunately the additional activities, while they were well-received by most Bisons, present and former, did not provide additional income as hoped for to supplement school funds. So the class of '77 has worked during their three years to organize and carry out money-making opportunities to help finance projects of importance to them.

E. Pena

Concert Choir raises money by having a faculty game.

E. Pena

Using their own ingenuity, Sunset organizations set out to raise money. Many hours have been contributed to car washes, bake sales, garage sales, paper drives, bottle drives, donut sales, afternoon dances, soccer, volleyball, and basketball games in which faculty and students played the Dallas Tornados, Dallas Cowboys, and KNOK D.J.'s.

The Bisonettes and Band, looking forward to a trip to Baltimore, raised thousands of dollars, only to be turned down at the last minute. Although it was a big let-down, an alternate trip was planned.

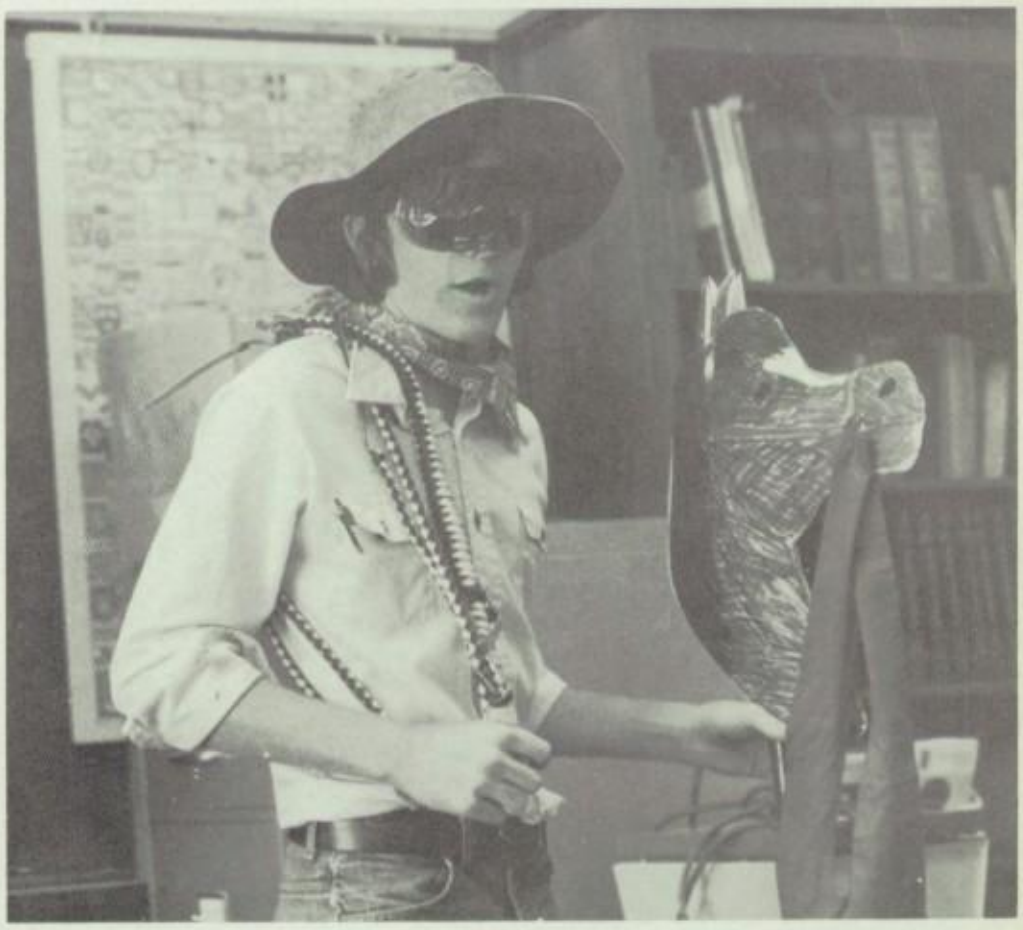
Sunset Special Traditions

Every school, regardless of age, has its own traditions - traditions which apply to that school and that school alone. Sunset is no different. In its fifty-two years of existence, Sunset has compiled an array of different traditions, some of which we have had only a few years, and others that have been here since the doors opened in 1925.

Traditions such as Favorites, Sundial Day, and Senior Day are some of Sunset's oldest. Some of the Bisons' more recent traditions are carrying trays, the class claps, and Cowboy Day, when everyone saddles up and comes to school dressed as a favorite western hero.

Another special tradition is sock (S.O.C.) Day. The football game against South Oak Cliff is our first district game and everyone wears a pair of colorful socks and rolled-up jeans to school that day. During the pep assembly for this game a victory train, composed of a representative of each school organization, is formed on stage. As the team leaves to go to the game that evening, a "Victory Train" of decorated cars follows the team bus to the stadium.

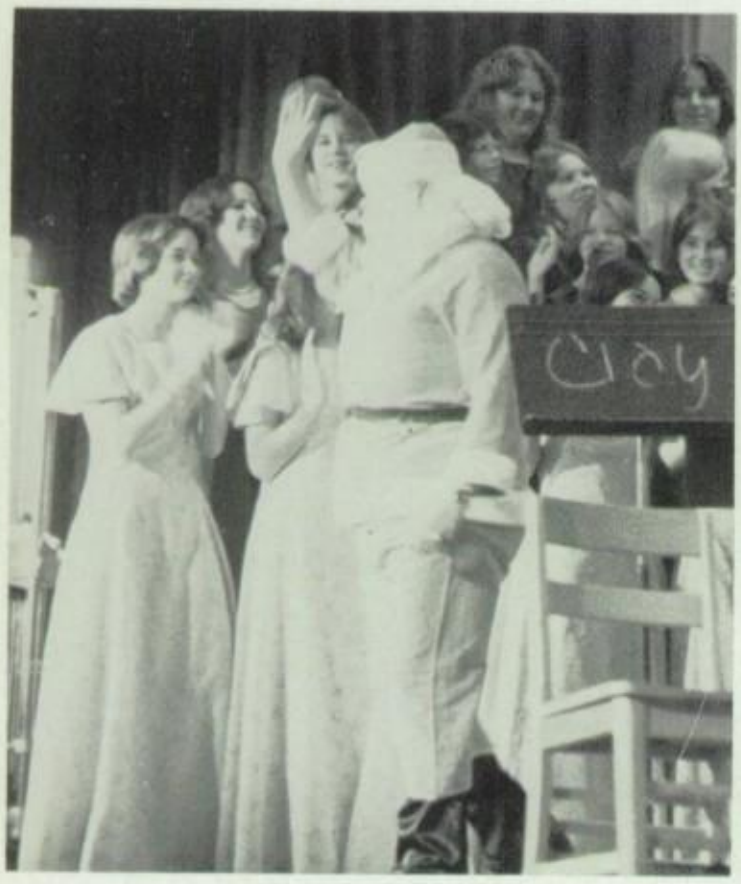
Traditionally, the announcement of the winner of the Bison of the Year Award has been in a special issue of the Stampede. But this year the Stampede staff made an even more special occasion of the announcement by presenting an assembly. At this time the 12 finalists for Bison of the Year were honored and the name of the winner, Ronnie Saenz, announced as the climax of the assembly.



Green

Sunset's Special Occasions

Throughout the year Sunset celebrates each holiday and special occasion in its own way. Just before the winter vacation, a Christmas assembly is held which features the choral department. The assembly had special interest for the faculty this year when the schoolmasters were invited on stage to participate in the singing of "Silent Night." Throughout the day, feelings of anticipation of vacation and holidays are evident, and the school day ends with the Concert Choir caroling through the halls.



Santa greets the crowd.

Ojeda

Rev. David Pittenger, class of '42, appeared in Homecoming Variety Show.

A new attraction this year was the return of some ex-Bisons in their own talent show, the 1st Annual Homecoming Variety Show. The program ranged from song and dance numbers to instrumentals.

It is a rare occasion for a school to have a fire, but on Jan. 21, Sunset added such an event to the occurrences of the year. Thankfully the fire was small and there was little damage.

The only thing that separated the Sunset football season from the tale of the Tortoise and the Hare was that the Sunset coaching staff refused to feed the Bisons carrots on game days. Starting at a tortoise pace the Bisons lost five of their first six on their way to a respectable 4-6 season. The team of ''77'' put Sunset back on the map as far as 12-AAAA football is concerned as the ''Bad Thirty-Three'' shut out their last three district foes and a man by the name of Wickline turned an otherwise sputtering offense into a running machine as he rambled for over 1,000 yards.

Ojeda

The Bisons found the going rough in their first preseason game as the Sunset offense never really untracked itself. Although Sunset had more total offensive yards, the road to the end zone was one that the Bisons would never explore as the Richardson Berkner Rams put an early end to Sunset 20-0.

Sunset then traveled down south to play the Dragons of Nacogdoches, but the Bisons soon found that the people of Nacogdoches weren't the only ones that loved the Dragons. The officials did, too! Despite an excellent offensive effort from quarterback Travis Horton and tight end Bill Cosper the Bisons never overcame a few controversial calls in clutch situations as they were handed their second loss in as many games 16-9.

In the Bisons first home game of the season the defense showed its strength and tailback James Wickline enjoyed his game of the early season as he ripped the Bishop Dunne defense for over 100 yards. On scoring jaunts of 2 and 42 yards Wickline and company secured Sunset with its first victory of the year as they shut out the Falcons 14-0.

Carter - It was a new ball game as far as the Bisons were concerned and to the surprise of the Carter Cowboys it was a new Sunset. A Bison defense led by all-district members Mark Ledbetter, Paul Ellzey, and Matt McGuire shut down the Carter offense four times inside the 20 but a costly fumble on the 18 yard line resulted in a Carter touchdown and put the game out of reach. A fourth quarter touchdown by Wickline was not enough as the Bisons lost their first district game 29-6.

S.O.C. - It was a cold and rainy night at Sprague stadium but the South Oak Cliff Golden Bears had little trouble getting warmed up as the Bisons suffered their worst defeat of the year. S.O.C. quarterback Darren Raegan ripped thru the Sunset defense for over 200 yards and the season began to look dim for the Bisons as S.O.C. won 32-15.

Roosevelt - This game was a must for the Bisons if they expected to stay in the District race. Sunset twice had the ball inside the Roosevelt five but both times fumbled snaps resulted in stalled drives. The Bisons held on with outstanding defensive play as the defensive backfield of Stewart Tompkins, Brian Cantrell, Ricky Cosper, and Robert Ybarra shut down the Roosevelt passing game to the minimum. Alas in the 4th quarter the Mustangs rallied and scored with seconds remaining on the clock to win 7-0.

Kimball -

With the hopes of a District Championship lost, Sunset then turned its attention to the Kimball Knights. Two interceptions were converted into Knight touchdowns and the Bisons only offensive spark was through the air as Horton hit split end Randy Kuczaj on three strikes for 70 yards. This was not enough however as the Knight defense hung on to shut out the Bisons 14-0.

Adamson -

Sunset climaxed its season on the right foot as the Bisons dominated the Adamson Leopards in the annual Homecoming bash. The first half was all defense as Sunset continued to show defensive superiority, but in the second half Sunset trenchmen Mark Byrd and company suddenly found the holes in the Adamson line. Frank Hazzard put the Bisons in front 3-0 with a 35 yard field goal in the third quarter. The Bisons continued to play outstanding defense and a fourth quarter touchdown by Wickline put the game out of reach. The score of 10-0 was only a small description of the total effort of the Bisons of '77. Although they started out as a tortoise, the hare finally came through.

THE 1976 FOOTBALL SEASON

The 1976 season is here
And this is going to be Sunset's year,
We work, we sweat, we train,
And Oh! muscles' aches and pain,
Now it's time to find out what we have got,
We scrimmage Woodrow Wilson - Decision we're not so hot!
Back to the practice field - work, sweat, grind,
Run with the ball, hit, tackle, tighten that line.
Then Buckner comes about
And the Bisons look quick and stout,
We have no trouble moving the ball,
We're on the goal line and there stands that wall,
We dominate this game with plays 32 and 43 but we're doomed to defeat
Because we are inside their 20 and they sweep us off our feet.
Up come the Dragons - we head Nacogdoches way,
As we board the bus our team feels it's their doomsday.
Bisons come out fine
And now, it's half-time
Dragons, O My God we're 9!
Second half is here
And the Dragons have no fear
Because their coach told them he set the officials clear.
The final score reads Dragons 15 - Bisons 9
Leave the bus ride home to Castro and Wickline.
We don't feel too bad this week,
But a win on the score board we still seek,
It's Sept. 16 Thursday night
And that win we need is in sight,
We're dominating the ball
And come 4th quarter we still stand tall,
As the final seconds tick off
The Bishop-Dunne Falcons start to cough,
The game is over we're sorry Bishop-Dunn,
14 zip - well it's time we won!
This week we're up against the Carter Cowboys,
We are trying to face them with Bison poise,
But our fumble prone Bison team,
Just can't work out our secret scheme,
We try hard time and time again,
But believe it or not, the fumbles begin.
The game seems to make the crowd pretty sick.
Why not - we lose 29-6.
It's Thursday night Oct. 7th and we're in the game,
And I think our whole team is lame,
We're up against the Golden Bears,
And boy are they showing us their wares,
We try - it's over, a record they did set,
553 yards rushing they did get.
This week our bodies and spirits are down,
And there's pain and long faces all around,
It's Oct. 14th Thursday night,
And we're playing those Mustangs with all our might,
We're looking good - running good - our defense is holding fast,
But we meet that big wall that we can't get past.
The referees beat us so they say,
But things just really didn't go our way.
It was 7-0 and what could we say,
Was it the refs or was it our plays.
Up comes the grudge game, our next door neighbors we face,
The Kimball Knights, that's who we plan to waste
The Knight defense is frustrating us so,
Then it happens again Knights 14 Bisons 0
This week I hate to admit
That some of us would like to quit
But there are still 3 games to win,
And we're out here ready to go again,
We're facing the Bulldogs - and defense is sniping and twitching their tails,
Then the Dogs throw the ball straight to Cantrell.
Our line is working - the ball's on the move
Come 4th quarter our whole team is in the groove
The game is over - everyone wet and cold,
But we are boarding the bus with a victory 23-0
This week we know our season's almost done,
With 6 lost and 2 won,
We're facing the Pinkston Vikings,
On the heels of our backfield there seems to be wings.
And even though we have bad weather,
Our whole team has their er - together.
Hey, the scoreboard is looking mean,
Vikings 0 Bisons 19.
I can't believe that this is the last one,
For some of us the last we will play for the Bison
We're out here facing the Adamson Leopards,
You know it's really hard for me to find the words,
It's traditional, that's what it's all about
I'm a Sunset Bison I want to shout,
Hey we're looking good and playing just right,
Defense is showing their Bison might.
Our offensive plays are working sound,
And we move it right on in for a touchdown.
But this isn't all. Our fans are dazzled,
By a 38 yard field goal by Mr. Frank Hazzard.
The final seconds are showing us a win
We finish our season Leopard 0 Bisons 10.
Now that '76 is all said and done,
And the off season has begun,
The seniors say good-by and give a cheer,
To the Bison team of 1977 year.

Good offense and stout defense carried the JUNIOR VARSITY FOOTBALL TEAM to a respectable 2nd place finish in District play and a 6-3-1 season record. The Baby Bisons opened season play against Richardson-Berkner and after 4 quarters of play the question of which team was superior went unsolved as the teams tied with a 12-12 score. A week of hard workouts paid off as the Bisons routed the Skyline Raiders by the score of 27-6. The J.V.'ers continued their winning momentum as they rolled over the helpless Bishop Dunne Falcons by a score of 33-0.

The Bisons faced the Carter Cowboys and the game tempo was in sharp contrast to the previous two games. Sunset led the Cowboys at halftime, 7-0; but Carter raced back in the second half to lead 14-7. With 40 seconds to go the Bisons had the ball on their 40 yard line, quarterback Chris Salazar threw a desperation pass to Billy Willie, and the Bisons scored. But a controversial offside call kept the Bisons from victory and Carter won 14-12. The emotional letdown after the Carter game left the B-Teamers flat for the next two games as they lost to Roosevelt 27-15 and to SOC 34-14. When the Bisons regrouped they faced Kimball with a 3-2-1 record and Coach Duff often used 2nd string quarterback Ray Payne, a decision he never regreted. Payne's passing forced the opposition to begin to cover the ends and running backs going out for pass patterns opening the way for Kenneth Newton, a junior running back who was forced off the Varsity because of grades, to begin to slash the enemy defense. Newton gained over 100 yards rushing in each of the last games. The Bisons rolled over Kimball 34-0, North Dallas 46-6, Pinkston 23-20, Adamson 24-0. Most valuable player for the year was Kenneth Newton.

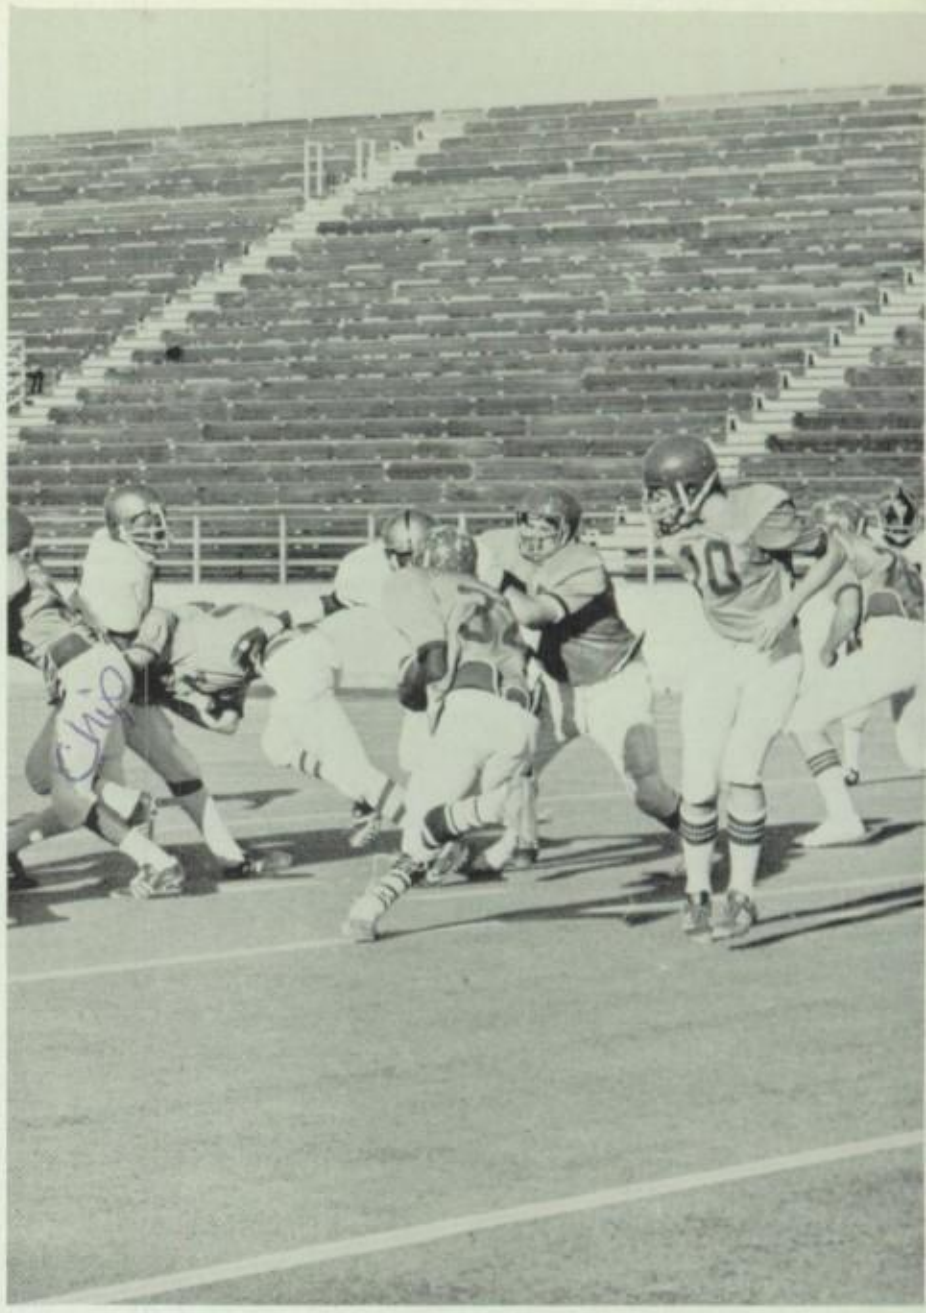
Second effort breaks Newton through.



It was a new team, a new set of coaches, and a new season for the Sunset FRESHMAN FOOTBALL TEAM of '77. The Infant Bisons mirrored the Varsity season as they were held winless until they beat Pinkston 14-12 on a pair of Paul Clayborn touchdowns. Coach Wakeham and Coach Caldwell felt that the season was a success despite their 4-4 record, as the Bisons showed steady improvement as the year wore down to its final games.

A fine individual performance by John Woolschlager saved the Cross Country team from an otherwise disappointing season which saw the team drop from 1st place in city to a disappointing 4th. Due to bad weather the team could only compete in 4 of the ten meets. Team apathy was apparent throughout the season and especially at the city meet when 3 of the varsity runners did not show. The team was forced to run with substitutes.

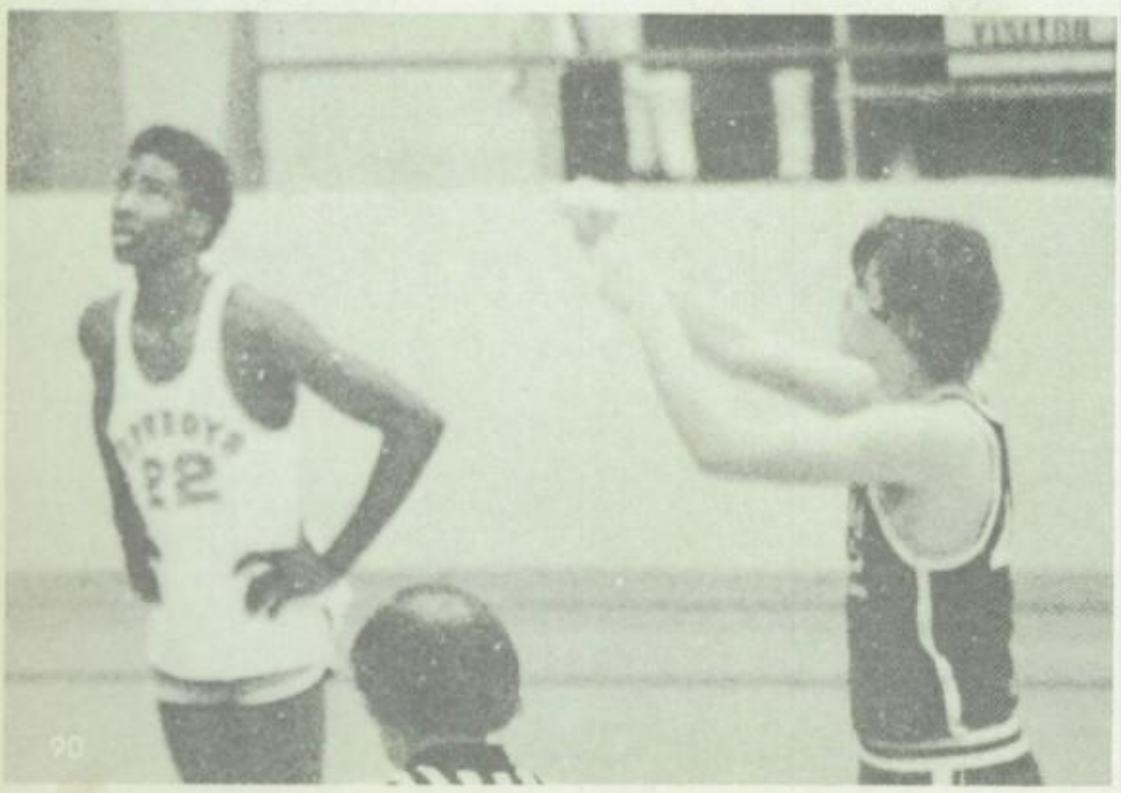
Bison Basketball '77

At the beginning of the '77 season Sunset Basketball Coach Joe Huey needed only five wins to make his total number of victories over the "200" mark. As the season wore on, the most exciting part of the year was to see if Huey and his Bison roundballers would ever make it.



At the beginning of the ''77'' season, Sunset showing the consistency of the New York stockmarket never seemed to win the close ones and lost 6 out of their first 7 games by three points or less.

By the time the district race rolled around the battle weary Bisons found the depth of 12AAAA basketball too tough to handle and skidded to a disappointing 3-7 record.

Senior postmen Lee Manson, Bill Cosper and Mike Smith along with guards Lorenzo Williams, Herbert Thomas and Charlie McCaulie never gave up however, as they almost pulled upsets over Carter, Kimball and State Champions South Oak Cliff.

In what seemed to be a carbon copy of last year the Bison SOCCER club again took the district championship as they scored easy victories over Kimball, N. Dallas, and Carter.

After being upset by Adamson, Sunset cruised all the way to the City championship where they were eliminated by their old nemesis of last year, W. T. White.

Led by two-time All-District Louis Gonzales, Mike Arrezola, and Frank Hazzard the Bisons posted a still respectable 6-1 season.

Norma,
Its been great getting to know you this year and I hope to stay so close next year. ~~We~~ I had alot of fun this year. Take care of yourself and best of luck in your life.

An attitude of working for the future prevails for this year's TRACK TEAM, a team with only a few senior cindermen. The team shows definite signs of potential with sophomore sensation Robert Ybarra. Ybarra is an excellent sprint relay man as well as a 220 yd. man. In all probability there will be no records broken, but with hard work and dedication this team will be one that will make Sunset proud.

The District Championship is a definite possibility for this year's TENNIS TEAM. With outstanding doubles play from the team of Sandra Coronado and Laura Talley, and Richard McCray and Andrew Khouw developing into two of the finest single players in the district. Under the leadership of Coach Danny Salinas, the tennis team has made good progress throughout the competitive year. Coach Salinas is using freshmen and sophomores as much as possible to build for the future years.

"CARNIVAL"

After years of decreasing attendance and increasing expence, the musical was canceled for one year, but after constant pleas from the choral department and Mr. Petty, shown here instructing the choral, and a promise not to lose money, Mr. Filgo let the show go on.

FUN AND GAMES

Disaproving the rumor that football players have all the fun, Greg Turner painfully receives medical attention after receiving an injury on the gridiron. It was later learned that Greg had injured vertebrae and was placed in a brace for sometime.

PRESIDENTAL WOES

The problems of running a student body leave little time for lunch. Jesse Bunch hurriedly eats a five-minute meal in between fourth and fifth period. Many times during the year our prez suffered heartburn during fifth period.

MIDGET
Martha Sheppard, who stands five feet seven inches, is dwarfed by Percy Howard, on the left, who is six feet four inches tall, and Ed "Too Tall" Jones on the right, who is six feet nine inches tall. The Cowboys came to Sunset to play the coaches in a benefit basketball game. Needless to say the coaches, overwhelmed by such professional company, lost.

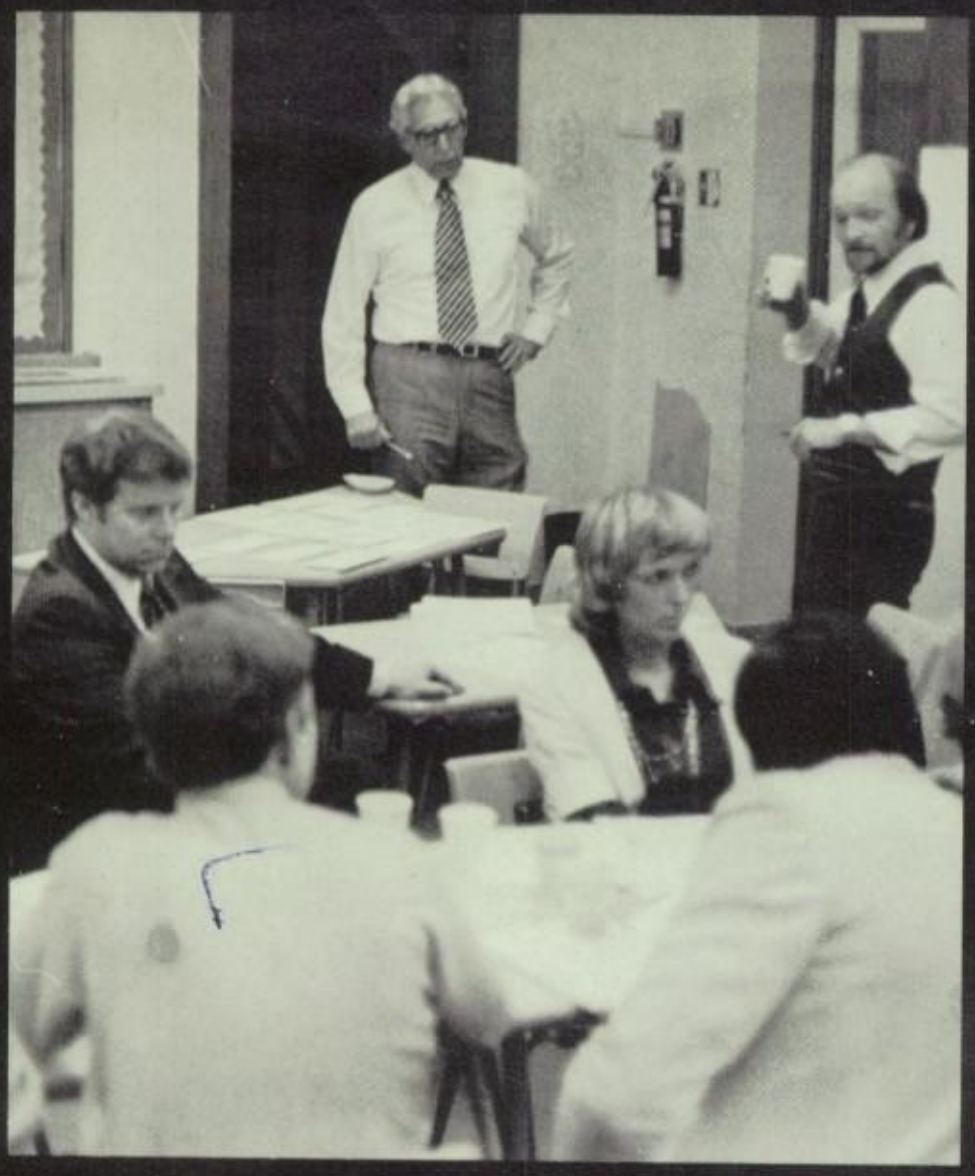
SUGAR RETURNS
After a year's absence from Dallas schools, sugar-containing products were again sold on school campuses. Last year only fruit juices and nuts were sold on campus, but after the school board realized that the average student didn't want fruit juices and nuts a decision was reached and Cokes, Dr Peppers, and candy bars returned.

1977 GRADUATES OF SUNSET

FRIGHTFUL MESSAGE
Greeting Sunset students one morning were the words Helter Skelter, written in real blood. Whether the blood was human or not is unknown but it does make one wonder who would write such a thing . . . it may have been your locker partner.

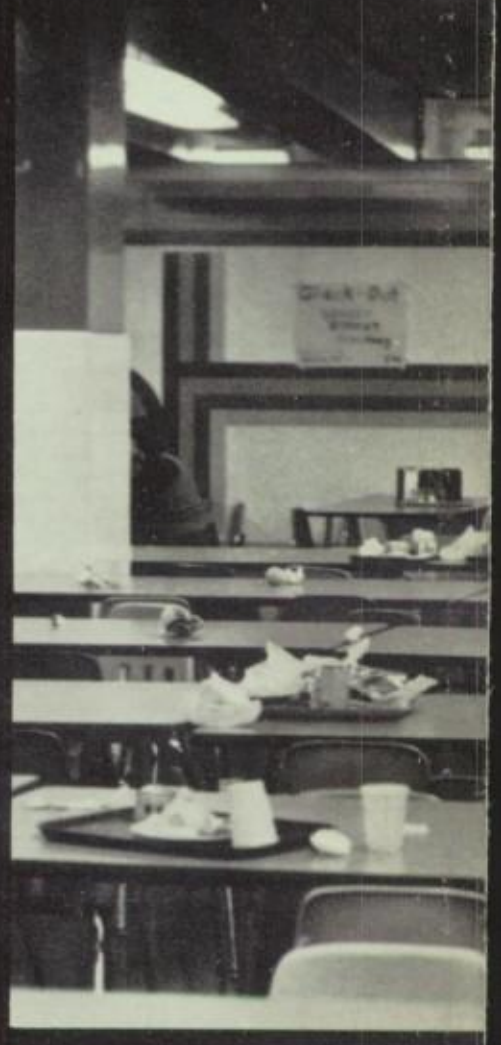
MAGNETS
Mike Sullivan returns to Sunset after spending his morning at one of the career magnet schools, created throughout DISD as a result of the most recent desegregation rulings. Each morning many of Sunset's students must arrive early to school in order to catch the bus which takes them to their destination. These students are unable to participate in many of the activities which take place during the school day, but feel that the educational advantages are worthwhile.

RECRUIT
In order to have a well-rounded organization one must replace vacancies left by graduating seniors. Toby Newman patiently awaits the onrush of freshmen to join Bowling League during orientation. As one can see, the crowd never arrived, but the league survived.



HOW WOULD YOU SPEND A MILLION

After the bond election passed, a bond which gave the school 80 million dollars, Sunset received one million. The commu faculty held meetings to try to devise a plan which would d the money equally.



TRASH

The lunchroom left littered with trash was a scene which was repeated four times daily. Throughout the year many ideas were submitted to try to rid Sunset of this dilemma, ideas ranged from S.A.C. for those who left their trays to paying a deposit on a tray, but these ideas never left the drawing board and the lunchroom remained the same.

RIDE 'EM COWBOY

Wayne Dowdy, who helped organize Sunset's first rodeo club, displays a winning style in how to ride a mechanical bull. Soon after the picture was taken Dowdy found himself very close to mother earth - so close in fact that he could taste it.

JAILBIRD
Retta Wright awaits the lonely trip downtown. This is a trip which many students may take after they turn seventeen years of age.

WINTRY WONDERLAND
Hit by the hardest winter in years, Sunset takes on a picturesque appearance. The snow provided for snowball fights and excused absenteeism. Unfortunately the snow soon melted returning Sunset and its students to normal.

RETALIATION

Obviously upset over the fact that someone broke into Bishop Dunne the week of the Sunset-Dunne football game, a game which Sunset won, the Falcons (we suspect) retaliated by sawing down the Oak tree. Fortunately the Key Club came to the rescue and a new tree was quickly planted.

TRANSPORTATION

Not wishing to suffer the embarrassment of having mother bring them to school, and too young to drive, many of the underclassmen brought their bicycles to school.

Showing that they were once in the same situation D.I.S.D. officials had bicycle racks installed last summer.

ODD COUPLE

Performing in the first annual Gong Show, held by the choral department to help pay for the cost of the musical, several talented faculty members received ratings from a panel of student judges, on a scale of one to ten. Coach Wakeham, with the legs of cellulose, and Coach Marrs contribute to the winning act of Stoneface, which received a ten.

SCHOLARS

Who's Who

Persons who achieve the honor of being named in Sunset's Who's Who do so by their hard work and dedication to many of Sunset's activities, during their years at Sunset. Being named to Sunset's Who's Who is the highest honor for those who have collected many honors. Grades are considered, not as a deciding factor, but as a part of the overall top Bison. The people who receive this honor have upheld Sunset and show in every place and in every way that they are proud of Sunset and Sunset is proud of them.

Persons who have done an outstanding job in only one or two areas of activities, will be overshadowed by those who have been active in several areas.

The honor of Who's Who is bestowed by the SUNDIAL staff seniors. The nomination and election of Who's Who is supervised by the SUNDIAL sponsor. When electing for the winners, the staff makes their choices by voting both open-mindedly and objectively for those who have accumulated enough honors.

To the Faculty and Students:

You are a part of history, a story of change. You are a part of a four year high school which Sunset hasn't seen for many years. Over half of our student body was new when school opened in August, and we have received about twenty-five new teachers.

In spite of all of this our traditions and high standards still prevail. We still have a great spirit and a pride in our school. Most of our students still have a desire to learn.

We have adjusted to change and have been the better for it, because we are interested in what is best for Sunset and its students. Spirit, Knowledge, and Friendship are still our guides.

To the seniors, my hope is that your experiences at Sunset have helped prepare you for a full life in the future. We are aware that you have helped build a foundation on which we can build a better tomorrow.

1976-77 SUNSET HIGH SCHOOL SENIORS

Each member of the class of '77 has my sincere best wishes - especially at this time - graduation. For the past three years you have been a challenge as well as an inspiration. As you leave there will remain with me many fond memories.

This is a pivotal point in your life. You review the many friendships and experiences you have acquired at Sunset, yet, you look forward to the future with many opportunities to pursue. Take with you the spirit of Sunset; knowledge, courage, and loyalty. However, may God grant you the serenity to accept the things you cannot change. The courage to change the things you can, and the wisdom to know the difference.

To each of you my fondest wishes for success in the years ahead.

Sincerely,

Edith J McKissock

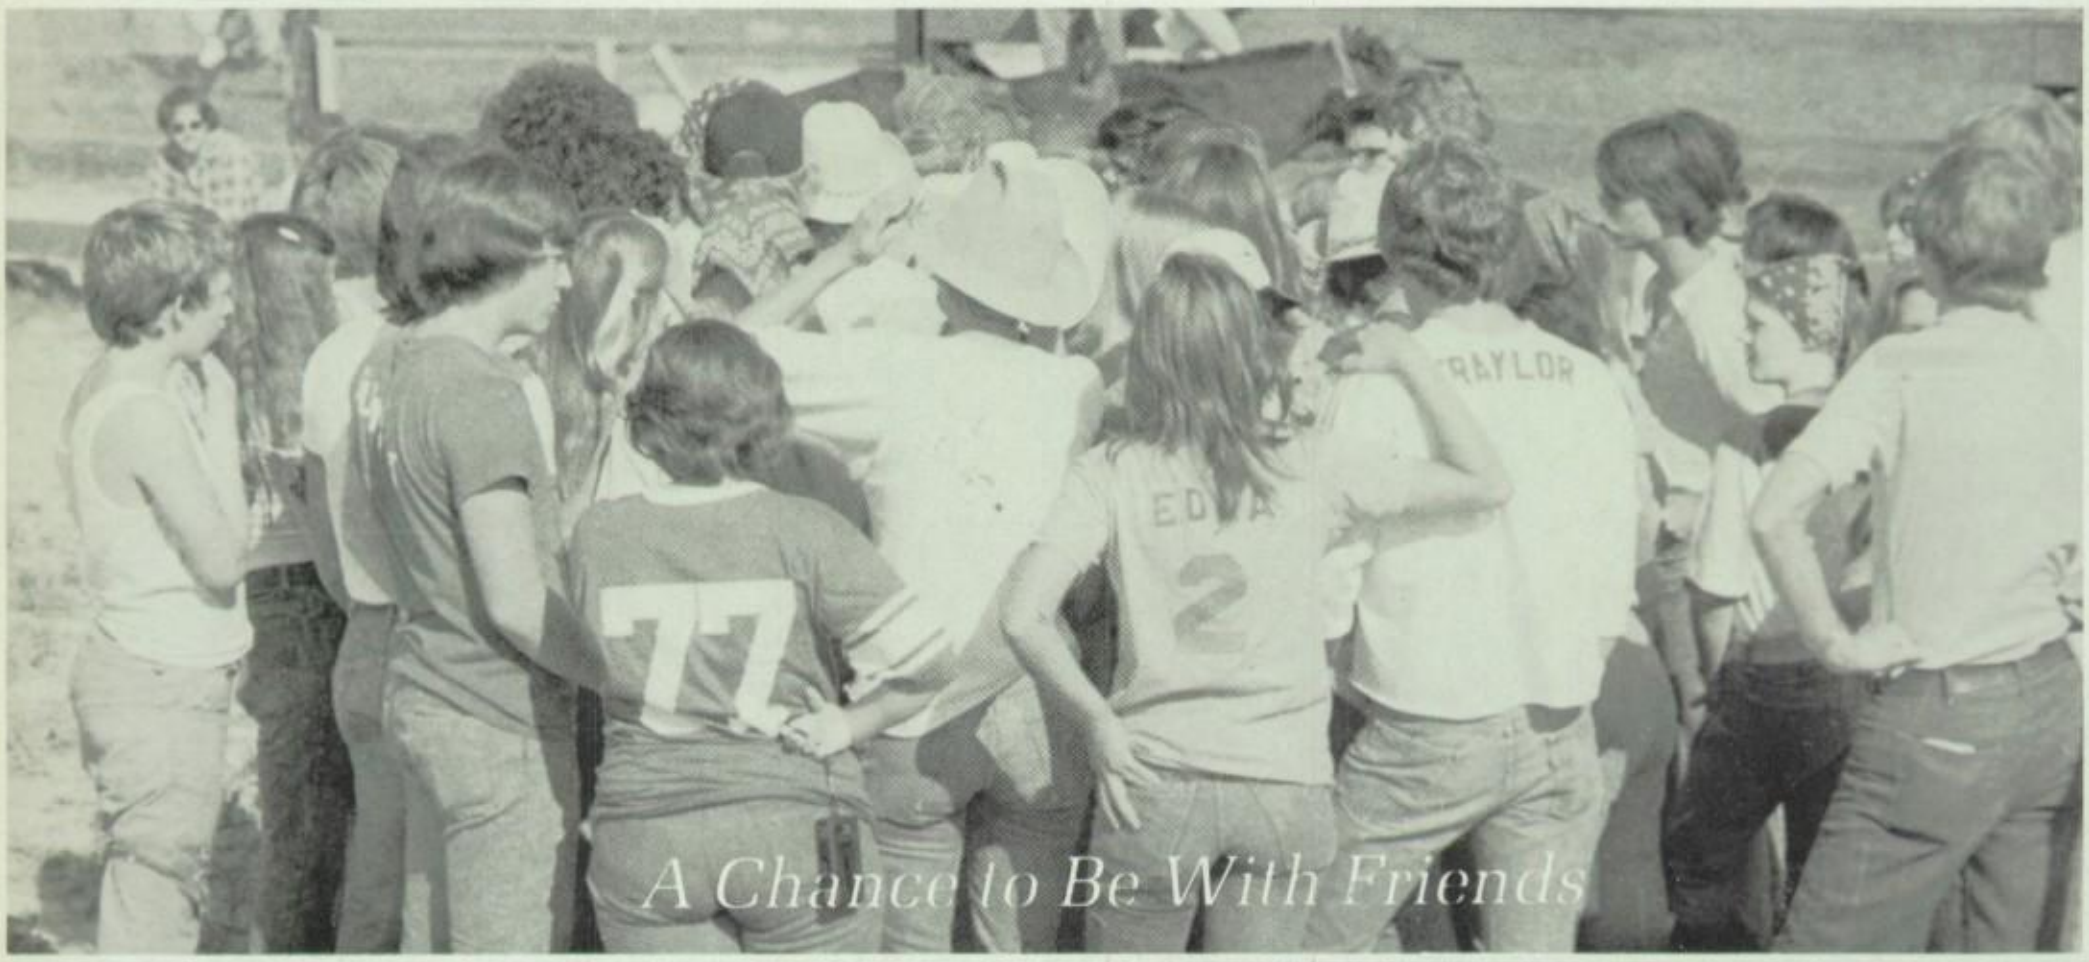
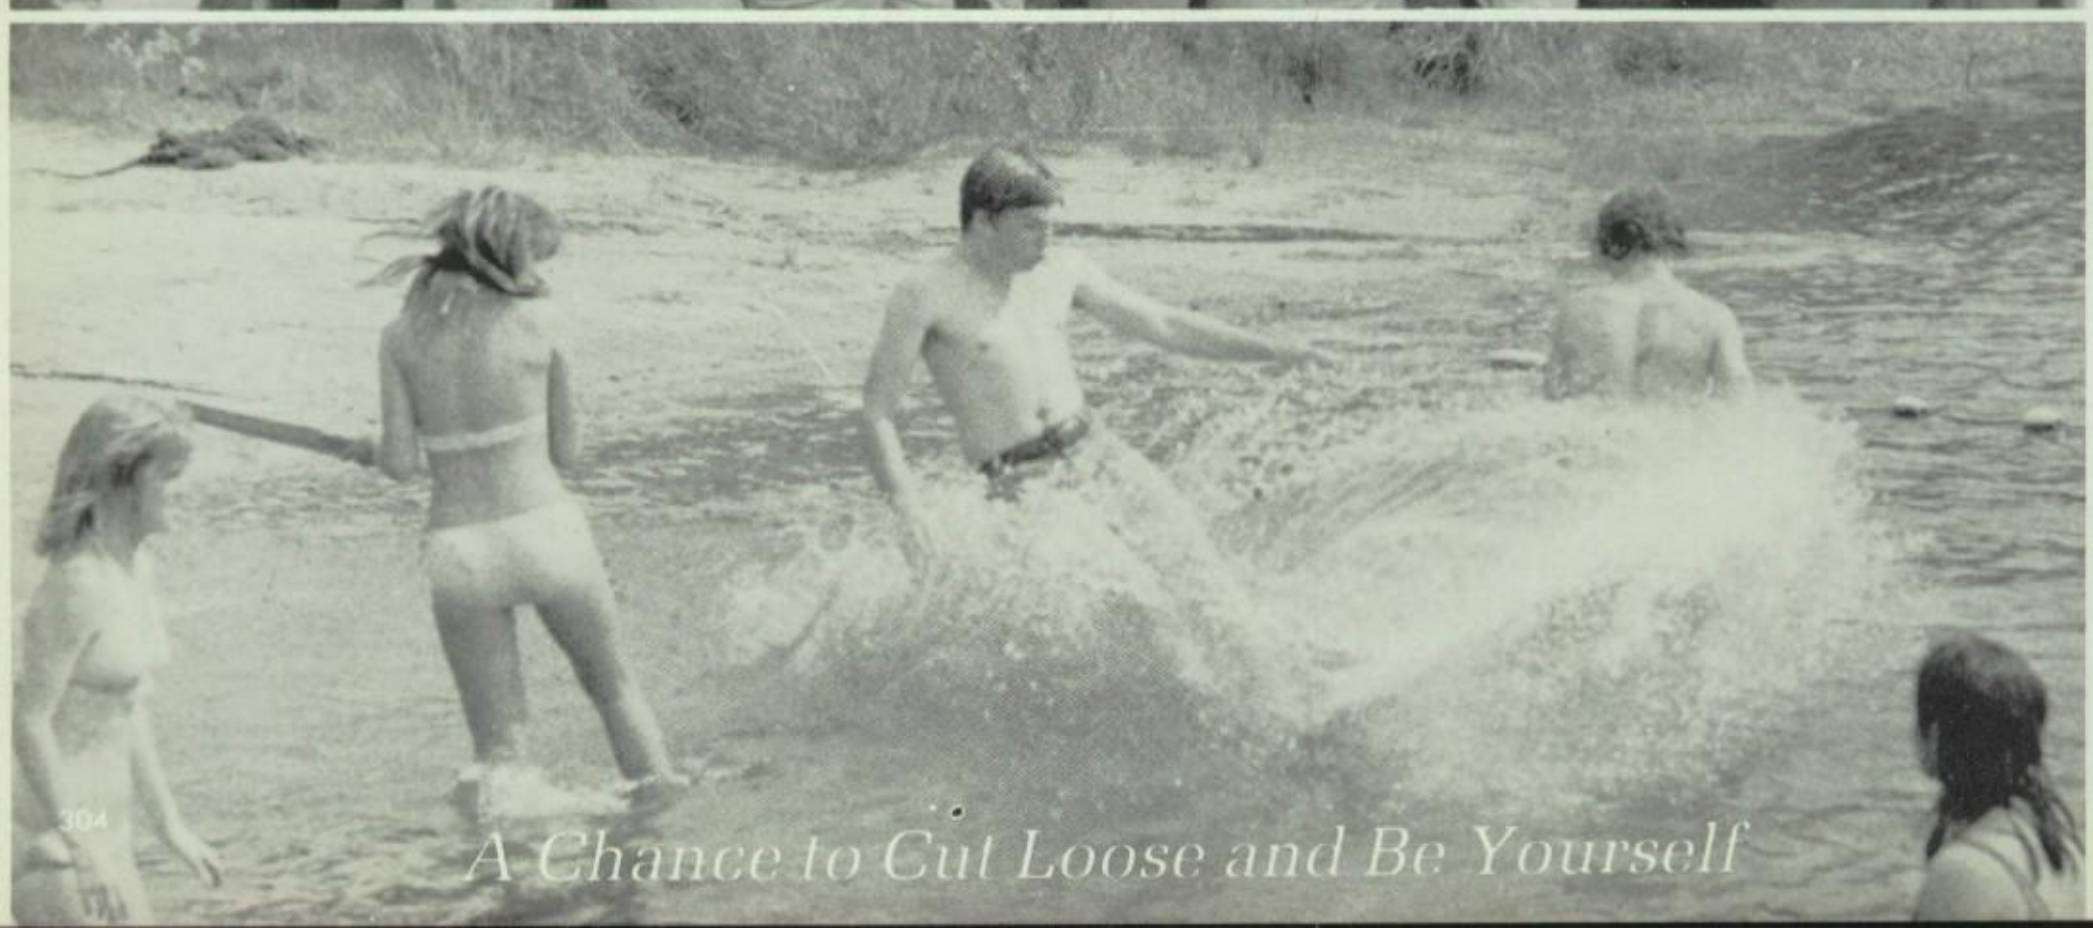
A Chance to Build New Friendships



A Chance to Be With Friends



A Chance to Cut Loose and Be Yourself

Life

A Chance to Come Alive

"YOUNG LIFE" IS . . .

. . . an action-packed weekend at Sky Ranch in October, with plenty of thrills, spills, and laughs. It's 15 hours at Volleyball Marathon in November, seeing who can boogie the longest on the court. Young Life is a chance to cut loose and be yourself.

. . . an opportunity of a lifetime to experience the beauty and freshness of the Colorado Rocky Mtns., and the excitement of the slopes at Ski Camp in December. Unfortunately, we had to miss that opportunity this year as it's a little tough to ski on rocks and tree trunks. Better luck next year!

. . . an outdoor adventure in a canoe down the Guadalupe River in April. Four days of campfires, shooting the rapids, and drifting down the cool stream gives everyone a clear look at God's creation. Young Life is an unbelievable week at "Windy Gap," nestled in the Smoky Mtns. of North Carolina. With the Hondas, horses, mountain climbing, swimming, etc., there's more to do than you can imagine. It's sharing new, exciting experiences with a group of friends!

. . . all of this and more. It's a casual friendly "club" meeting open to ANYONE who wants to show up for an hour of fun and laughs. The fast-moving singing and skits followed by a short message encourages one to think about an exciting, attractive lifestyle with Jesus Christ.

. . . "Campaigners" is a part of Young Life which offers a more in-depth look into the Christian faith through small group discussions in kid's homes.

. . . So what is Young Life? Come and see! Come to Young Life Club, come to Campaigners, come to Sky Ranch, come to Ski Camp, come to Windy Gap . . . come and find out the joy of coming alive to God's presence in your life.

What is a True Friend
Someone who will stick with you even though the going's rough, Someone you can laugh and cry with, and when they scold you, you know it's for your own good, and the scolding just makes the praise more meaningful.

The way you supported us, the way you fought for us (and sometimes with us), and the special way you loved us, are the memories of you we will always cherish.

We love you Miss Spencer,

Will be 15th Quest
and stay an 2nd I
didn't really know you
You sat on the back
end I sat in the
front and you didn't
like to when we
turned corners we
usually got it home
each other and it
made the class go by
faster. Talking and
laughing with you
really a special person
to me hope to see you
this summer keep in
touch.
